

THE LAST WEEK

CELEBRATION BALL On Saturday 29th March a table of 12 parents all from 1W got together to celebrate Kingswood's 1st Anniversary. It was a carnival theme with Liverpool's excellent samba music and dance school entertaining us. Lots of dancing and celebrating and a great time was had by everyone. A big thank you to Friends of Kingswood. **Mrs Bell**

We are pleased to confirm that we raised approximately £2,000 at the Celebration Ball. A special thank you must go to Tracey, Ian and Jared Morgan who helped make the evening run smoothly, Peter & Lynne McVeigh, Colin Flynn and his team and all the mums that helped on Friday. We look forward to the Family Ball in December. Thank you to everyone who attended. **Lynda Headley**

SUBTRACTION BY DECOMPOSITION A thank you to Mrs Grime for her lesson to parents and pupils of 2G on subtraction by decomposition, we thoroughly enjoyed our time in the classroom. I have now put my calculator away!! **Mrs Aylmer**

ACORNS TRIP TO THE PARK FUN, FUN, FUN!! Acorns had a great time on Wednesday at Botanic Gardens. The children enjoyed the play area, feeding the ducks, visiting the animals and best of all having a packed lunch. **Mrs Proctor**

SPORTS NEWS

SWIMMING GALA

Congratulations to all the pupils who took part in the ODPSSA Swimming Gala. Always an exciting event and spirits were high as we competed against 13 other local schools. A special well done to Robert Booth who placed in the front crawl and to the relay team who came third. Alex Norman was the swimmer of the evening, competing out of his age range but holding his own and achieving third place in the back stroke.

HIGH 5

Well done to the High 5 team who played their second league match against Town Green on Tuesday. It was an exciting game, but unfortunately we were defeated 5—2. The Year 5 team also played their first friendly match this week and showed great potential as a team. Well done. **Miss Mapstone**
