FAMINE FOR INDIA

On the 14th March I am doing a famine for the world vision for the no-where children in Chennai in India. They have no rights, food or shelter. If anybody wants to join in and give up something e.g. Food or talking for 24 hours then go onto www.24hourfamine.org.uk I would really appreciate any sponsors. **Elaine Fellows Mentor Group HJ**

ODPSSA CHESS

All the best to Daniel Wong, Joshua Wong, Ben Sefton and Jacob Bleackley as they represent Kingswood College Trust on Saturday. May there be many check mates for our team. **Mr Oliver**

FOOTBALL COACHING

Senior Girls. The Girls' football coach will be in school on Wednesdays rather than Thursdays this term. The cost for these sessions will be £25 which will be invoiced in the near future. **Mrs Taylor**

Years 5,6,& 7. As from Monday 25th February we intend to start a series of after school football sessions for those children in Years 5, 6 and 7. These sessions will develop the children's ball skills and ability to play as a team. Individual letters will follow. **Miss Mapstone**

Infants. As from 25th February there will be weekly football sessions starting for Acorns and Reception children. These sessions will be run by Active Soccer and will develop the children's co-ordination and ball skills. Individual letters for these sessions will follow shortly. **Miss Mapstone**

COMMENTS ON THE VLE

"This week the whole of the school including the parents got a master class on the use of the VLE, we all learnt how to use it and saw the benefits of it. I personally think the best feature of it is being able to e-mail anybody in school." **Charlotte Daley & Paige Duffy HJ**

"It is very helpful because I can talk to the teachers if I get stuck" **Myles Janvier IH**

"At first I found it confusing but now I can check the homework I've been given, mark it off when I've handed it in, e-mail the teachers if there is any concerns about the prep." **Tom Evans KM**

FURTHER COMMENTS ON THE VLE

The VLE is a new inventive piece of technology that brings our school into the 21st century. It will allow parents to have constant access to things happening in school. Parent-teacher communications are more regular, due to the use of the e-mail. Overall, we think that the VLE will benefit everyone involved with school. **David Ainscough & Thomas McBain SR**

We find it very useful when we forget to write our homework down or don't know what to do. If you lose your recipe it's useful to have it on the VLE. It's good to be able to e-mail homework instead of having to print it out and remember it. **TC Mentor Group**
