

MESSAGE FROM THE PRINCIPAL

When one looks at the weather today it is hard to believe that we are about to commence the summer holidays. I hope that wherever you will be spending it and whatever you will be doing you have an enjoyable time. This year has been a busy one and everyone is ready for the break and in need of some relaxation.

No sooner do the pupils depart and we commence our preparations for September. All Senior school subject rooms in L Block will be moving to the Coach House where cabling has already been installed for the extension of the school network. The Coach House will accommodate English, Drama, Geography, History, Modern Foreign Languages, RE and PE as well as the Study Centre.

L Block is due to be converted into our new Nursery - Beautiful Beginnings - caring for children from birth. We will keep you fully informed of its progress on the web site. The Nursery itself will eventually have its own new website linked to the school web site.

THE LAST WEEK

SPORTS' DAY We thought the mini-bus had forgotten us but eventually we saw it. First we watched the younger children doing their races, then it was our turn. We all ran as fast as we could - supersonic. At the end we had a parents' race. We had to run with them. Francesca had to run with Alex, and Jasmine had to run with Miss Whitehouse (who has never run so fast in her life). Olivia was dragged down the course by her mummy who isn't a bit competitive! Benn and Grace said their dads nearly pulled them over. Will and Henry say theirs were fine. **Year 1**

Last Thursday we went to Edge Hill. First Acorns and Reception did their races then it was our turn. The relay was really good. We came third but we tried very hard. It was mums and dads race next and we came third again. Then came the thunderstorm. We went inside. It stopped and the sun came out so we went outside again. **Lily Ainscough 2G**

This year Sports' Day was held at Edge Hill University, there were many events to take part in. The whole school took part on Sports' Day and it was definitely a day to remember for a few reasons. The most memorable part (for me) was the 200m in the afternoon. Not only because I came 2nd but also (I think everyone remembers the awful thunderstorm) during the 200m was the heaviest part of the thunderstorm. Apart from the thunderstorm the weather was fantastic. Overall it was a brilliant day to remember. **Ross Turpin 4OE**

On the 3rd July we arrived at Edge Hill. We gathered in the café because it was raining. When it stopped we sat on our bin bags on the wet grass. Then we started with 1500m. I felt excited because I like long distance running. I finished 2nd and got a silver medal. Later I did the shot, javelin, 600m and the relay. It suddenly went black and began to thunder and lighten. The rain was terrible. My mum saw Mrs Borowski put a bin bag over Jacob's head and thought she had lost the plot. When Jacob's head appeared out of the top my mum leant us a massive umbrella. The sun soon came out again and we all dried off. It was a good Sports' Day. I would like to do it again next year. **Elliot Haram 5B**

THE LAST WEEK Cont/.....

FUN DAY Hooray it was Fun Day! We had great fun on the Big Slide. The girls had face paints and looked like beautiful butterflies. Some of the brave ones went on the Acrobat Ride - thanks to Romi and Becky. We had a great time in Mr Morgan's speed boat and Francesca was brilliant on the Rodeo Bull. Jasmine kept getting on but then asking to come off. Grace enjoyed the donkey rides although she says they were rather wobbly. Thanks to everyone who organised such a lovely day. **Year 1**

On Friday it was Fun Day. It was really hot. The first thing we did was go on the bouncy slide. It was really fun. Then we went to the Rodeo Bull. You had to hold on to the rope and stay on as long as you could. Next we went to the Striker. The little one was easy. Then we went to the other Striker and it was really hard. It went up to 100. we went to the Theatre and did a sport show. They dressed us up in clothes. After that we went to the donkeys. We had to take turns. It was really fun. When we'd been to the donkeys we went on the Acrobats. We all felt sick after it. We went to the boat on the lake and we went to have our faces painted. Then it was time for lunch. **Milly Hanlon 2G**

We came to school all excited and ready for fun day. We went to the class room to get registered and ready to go to assembly. We got told that there were great rides and fantastic inflatables. After assembly our hearts were beating like mad because we knew it was the start of the fun day. So we went outside on the bouncy slide it was great fun, we did a good jump down the slide. Then we all enjoyed the bungee run, it was fantastic fun. The next thing we did was the rodeo bull then the acrobat. After that we took part in the 'It's a Knockout' and it was great getting wet. Thank you to everyone involved. **Luke Wilkinson & Ross Aylmer**

TEDDY BEARS' PICNIC Great fun was had by all at the Teddy Bears' Picnic on Tuesday afternoon. Reception and Acorn children were joined by many visitors for a fabulous party lunch, games, story-time and much more. The children really enjoyed getting very sticky making honey and jam sandwiches, hiding behind their bear masks and taking part in a bear hunt!! Many thanks to all who volunteered to help it was much appreciated. **Miss Gillam**

UNIFORM SHOP OPENING HOURS

Tel: 01704 889580

<u>Week Commencing</u>	<u>Wednesday</u>	<u>Friday</u>
28th July	11:00 - 14:00	Closed
4th August	11:00 - 14:00	Closed
11th August	11:00 - 14:00	Closed
18th August	11:00 - 14:00	Closed
25th August	11:00 - 14:00	Closed
1st September	11:00 - 14:00	10:00 - 13:30
