

THE LAST WEEK

YEAR 1 TRIP. On Monday all the class went on a canal. We got on the barge and took turns to steer. We fed the ducks and did some colouring. After our picnic we went through a lock. The boat went down to the level on the other side. We had a really lovely time. Thank you Mr & Mrs Bell and Alan. **1W**

I would like to say a huge thank you to Mr & Mrs Bell for all the effort they went to, to make 1W's trip down the canal such a success. They bought drinks for the children, bread for us to feed the ducks and gave us some pictures to colour. Alan was our skipper and told us lots of interesting facts too. Thank you very much, all of you. **Miss Whitehouse.**

DUNE FM. Year 3 had a surprise on Monday morning when Sarah arrived from Dune FM asking them to help her with a programme she was making. It is part of a competition - we think - that will be 'on air' at 15:30 each day until Wednesday 18th June. We hope that you will listen!! **Miss Sutcliffe & 3S**
