

### THE LAST WEEK

#### ACORN AND RECEPTION TRIP TO CROXTETH HALL

Didn't we have a lovely time the day we went to Croxteth! Our first stop was the petting farm. Here we met Betty and Barbara the highland cows, and we met the baby piglets Oink, Oink! After our picnic lunch, we had a stroll through the beautiful grounds, played some games and finished off with an ice-cream. We would like to thank Mrs Haram and Mrs Sutton for their help on the day. **Acorns & Reception**

#### YEAR 1 TRIP - WE WENT TO CROXTETH PARK

We played with the Victorian toys. We particularly enjoyed the Spinning Tops and Whizzers. The Victorian governess told us a story and we looked around the Hall. We really noticed the differences between the posh people upstairs and the servants below. It was just sunny enough to have a picnic and play on the super equipment in the playground. Last of all we had an ice-cream. **Year 1**

#### INFANT TRIP TO CROXTETH HALL

Last Thursday we went to Croxteth Hall for our trip. First we went in the house. The lady said that each room had a different smell to it. I think one of the rooms smelled of salt. There were over two hundred rooms in the house. We went in the Victorian schoolroom and played hunt the thimble and spinning tops. Next we had a story. It was lunchtime and then after lunch we had an ice-cream. We played football and went on the playground. It was fun. **Daisy Foster 2G**

## **Thursday 12<sup>th</sup> June 2008**

Kingswood College Trust Football Tournament 2008 took place last Thursday, and was a great success. Kingswood entered two teams into the tournament, Kingswood A Team and Kingswood B Team. Although the B Team had never played a match together before, they showed great team spirit and put 100% effort into all of their matches.

The A Team managed to win two of their group matches and draw 1, which put them through to the Semi-Final. Unfortunately we lost 0-1 in the semi-final, against Banks St. Stephen's. Although the team was disappointed, the team spirit stayed strong, and both teams did the school, themselves and myself very proud! Well done to everyone involved!

The overall winner of the Kingswood College Football Tournament was Our Lady & All Saint's, from Parbold. Well done to all their players, who showed some great skill and determination throughout their games.

## **Friday 13<sup>th</sup> June 2008**

Today was the day that we went to get our revenge from the day before!! Scarisbrick Village Hall hosted the Scarisbrick Schools 5-a-side Football Tournament. We eventually got underway with our first game, after helping set up the pitches and goal post. Our first game was against Pinfold We couldn't get a shot on target in the first half, however that shortly came to a stop in the second half, when we scored 4 goals! What a great way to start the afternoon off! We continued playing some great football and managed to win two other matches. Our last match of the group stages was against St. Mary's, who we lost 0-5 against in the league. All of the players were fired and ready to go! After some great defending by Ross, Luke and Daniel, we managed to keep them tied down, with a draw, 0-0 the final score. This great run of results meant that we scored the highest amount of points and finished top of the table, on the day. All the players were buzzing and the atmosphere was electric!!! We are now through to the semi-final, which will be played on another day, yet to be confirmed. Come On... You know you can do it!!!!

What a great two days of football! The A-Team managed to score 14 goals over the two tournaments and only conceded 2! Fantastic, lets keep it going for the Semi-Final!!! **Jade Headley**
