

STAFF NEWS

We will be saying good bye to Mrs Makin at the end of this term as she begins a new phase of her life in 'early retirement'. During the time that Mrs Makin has been with us she has, in addition to teaching curriculum PE, coached the Senior girls' Netball teams and achieved remarkable standards - winning many tournaments when playing against teams from much larger schools. She will, I am sure, have many happy memories to look back on and be proud of her achievements. She will be missed by those who have been taught by her.

We are fortunate that her replacement is a well experienced PE teacher - Miss Neary who will take up her appointment in September.

Mrs Proctor will be taking Maternity leave during part of next year - late September 2009 - March 2010. Whilst she is away Miss Morgan will be covering her Reception class.

Form Tutors for the next academic year will be:

Reception	Miss A Morgan / Mrs C Proctor

THE LAST WEEK

CAPTAIN'S TABLE - Wednesday 9th June

Representatives from Years 1, 4, 5, 6, 7, 8 and 10 attended the Captain's Table on Wednesday 9th June. Topics of conversation included:

- ◆ The Friends of Kingswood forthcoming events, particularly Camp Night on Saturday 4th July and Party in the Park on Tuesday 7th July to which parents are very welcome.
- ◆ The Mini-triathlon which takes place on the morning of Party in the Park - Tuesday 7th July. The request for parents to join in was granted. Please let Mr Wynne know if you wish to participate.
- ◆ Senior girls' summer uniform - a request for Senior girls to be allowed to wear the short sleeved white blouse until October is granted.
- ◆ Specific Learning Difficulties such as dyslexia, dyspraxia and dyscalculia and the ways of helping children with such difficulties. A suggestion that parents watch a support lesson taking place was well received and will be discussed with staff in the Study Centre.
- ◆ Parents of children joining the school part way through the year who may have missed the official Parents' Evening would appreciate meeting teachers whenever possible. Arrangements for such meetings will be organised.
- ◆ Preparation of pupils for examinations, presentations and interviews. Parents of new pupils commented upon how confident the pupils are when delivering a presentation.
- ◆ The length of the school day, particularly for younger children. Views and opinions on this would be much appreciated.
