YEAR 2 ATHLETICS

On Monday afternoon we went to Burscough Sports Centre and we did lots of activities there. There were three other schools there. The activities were jumping, throwing balls and javelins, balancing and running. Milly won an activity and she will be getting a special certificate. We all had lots of fun. Thank you to Mrs Proctor for taking us and to Mrs Graham and Archie for coming to watch us. 2G

VISIT TO THE SCIENCE MUSEUM

Today Years 1 and 2 went to the Science Museum in Manchester. We saw some steam trains and they are so big we were smaller than the wheels! One carriage was for the Medical Examination car. Will, Ben and Henry were very interested in the real aeroplanes that we saw. We even saw a Rescue Helicopter. Francesca and the other girls all enjoyed seeing how a water wheel works. Everyone loved the Hands on Experiments. The teachers were very pleased with our behaviour. They didn't have to shout even once.
