## THE LAST WEEK

### JUNIOR MATHS TRIP

On Wednesday 4th March, we went to Southport Theatre to watch 'Calculating Mr One.' It was a Maths show with a bit of acting and singing. We sat down in our seats waiting for it to begin. When it came on we all cheered. It had started. All eyes stared at the stage. We answered lots of questions and Kingswood got them all right. Then a cheesy song came on all about Maths. We really enjoyed it; it was brilliant. **Amy Bell & Charlie Millar 5B**

### WINNERS' CONCERT

This year's Music Festival gave everyone the opportunity to show off his/her musical skills, compete against other Mentor groups and have a fun time doing so. The winners of each category then played in the concert on Wednesday evening which gave them a chance to share their winning pieces with everyone. It was amazing to see the variety in the age of the pupils taking part. It was clear that, despite a few pre-concert nerves, everyone had a great time both performing and listening to the fabulous talent. Well done to everyone who took part. Also thank you very much to Mrs McWilliams, and also Scott and Laura for being such great judges. **Jess Bolton SW**

### SENIOR MUSIC FESTIVAL

The Senior Music Festival took place on Thursday 26th February. There were many entries including whole Mentor groups. The classes varied from instrumental solos and voice solos to whole group ensembles. The judges had a very hard job as all the competitors were very good. In the ensemble group they had to choose not one but three winners, as it was too hard just to choose one. We would like to thank the judges for coming and doing a good job. We would especially like to thank Mrs McWilliams for organising the event. It was enjoyable for everyone. **Emily Harrison TC & Fiona McCreath HH**

## **SPORTS NEWS**

### **CROSS COUNTY**

After the ISA North of England Senior Cross Country Tournament was held at Kingswood on the 30<sup>th</sup> January, two pupils from College qualified for the Nationals at Princethorpe College in Rugby last Friday. This is the fifth year we have accompanied pupils to this event and for the first time we did not have snow, rain, wind or blizzards, but glorious sunshine. Both pupils ran well, Shara Edgar coming 22<sup>nd</sup> out of 100 participants in the Girls Under 14's and Jared Morgan coming 13<sup>th</sup> out of 80 participants in the Boys Under 19's. A sincere thank you to Mr Wynne for organising, what I gather was a muddy, cold, rainy but exciting tournament at Kingswood. **Ian & Tracy Morgan.**
