

THE LAST WEEK

RED NOSE DAY AT KINGSWOOD

We would like to thank all pupils and staff for being so generous and buying lots and lots of cakes on Friday. A number of pupils were involved in the mammoth task of cake making, we calculate that we made well in excess of 400 cakes, making a grand profit of £125. Amazing! **Mrs Caunce and Mrs Joyce**

CAKE MAKING

Friday 13th March was Comic Relief. Mrs Caunce and I made cakes, it was good fun and I was more than happy to help those in need. **John Gorick WT**

SPONSORED SILENCE

On Friday 13th March Year 8 had the hard task of staying silent for four whole lessons to raise money for Comic Relief. I managed to collect £36 to add to the total. **Liam Johnson TC**

BUSKING

Jake Clarke worked hard busking all last week in his breaks to make £28 for Red Nose Day. John Foster and Jake both washed cars as part of the fund raising activities. Well done boys. **Mrs Bruce**

CAR WASH

During Tuesday, Wednesday and Thursday e3 sessions Year 8 washed cars for Comic Relief. We got rather wet but we raised a lot of money and had some fun. **Drew Dickinson & Oliver Tasker Year 8**

THE LAST WEEK

GREASE REHEARSAL

We had a fabulous day's rehearsal for Grease! We started with a full run through and worked hard on the songs and dances. We felt as if we had danced our hearts off all day. We were hot, sweaty and exhausted. We'd like to do it again next week - we loved it. **Amy Bell, Charlie Millar & Katie Bayman 5B**

LITERACY LESSON WITH YEAR 1

A big thank you to all the mums, dads, grandmas, grandads and even baby sister who came to our Literacy lesson, on Wednesday. The children love it when you come! I hope you found it useful. **Miss Whitehouse**

On Wednesday, parents and grandparents of Year 1 were invited to attend their literacy lesson. All of the children were so proud to be showing us all that they are learning. The children all answered the questions asked by Miss Whitehouse politely and with confidence. It was a delight to see the children enjoying their lesson. All of the parents managed to see the lesson through without getting told off. **Mrs Eggesden**

On Wednesday my mum came to my lesson. We were learning how plants grow. We all had different parts of a plant to talk

about. I talked about the stem. **Holly Eggesden 1W**

My mummy took me to school today because she was invited by Miss Whitehouse to join our literacy lesson in the morning. It was great to have mummy there to see what we do at school. Mummy saw us do words and before we did words we did cubes and after the words we looked at a plant on the wall and all ten of us did a label for it. I did a label on Bees and Ben did a label on Bees as well. Other Mummies, Daddys, Grandmas and Grandads were there to. They all had a nice time and after we did all that all ten of us read a book to our Mummies and Daddys. **Rhianna Lucas 1W**

YEAR 1 GAMES LESSON

On Wednesday afternoon Reception and Year 1 have their Games lesson. For the first time this week we were able to go out in our sports shirts, without our big tops! It was a beautiful afternoon, so we went for a jog around the grounds.

We followed the drives to the lake, where we saw the ducks swimming and the geese trying to play football on the grass! The daffodils lining the main drive and among the trees were a lovely sight.

We even followed Mrs Duck who was out for her afternoon stroll along the path.

It all made me realise just how lucky we all are to go to school and in my case work, in such lovely surroundings!

SPORTS NEWS

YEAR 7 NETBALL TOURNAMENT

1st game against Formby - 4-1 to them
2nd game against Christ the King - 3-2 to us
3rd game against Meols Cop - 3-4 to them
4th game against Formby Range - 3-0 to them
5th game against Greenbank - 4-2 to them
6th game against Stanley - 2-3 to them

Charlotte Bancroft WT

YEAR 9 NETBALL TOURNAMENT

On 6th March the Year 9 netball team set off on the mini bus to Formby Range High School to play in a Southport tournament against other schools in the area. We were the smallest school there but we definitely showed the biggest enthusiasm. We started our first game of 5, all of us were extremely excited as the whistle blew. After a grueling day the team managed to win all their games and came first in the B section of the tournament. When the Formby coach called out first place to Kingswood we all screamed with joy, we were very proud. **Greta Sergeant SW**

ISA North of England Under 16's Football Team

On Wednesday 18th March, Alex Medlicott and Jared Morgan (c) played in the North of England Under 16's Football Team at Crewe Alexander against the Midlands. At half time we were 3-0 down but in the second half we dominated play and managed to gain 2 goals, with the final score being 3-2 to the Midlands. Although we did not win, it was a good performance. Thanks to ex Kingswood pupil Ben Collinson who was referee for the match. **Ian Morgan.**

CONGRATULATIONS

Congratulations to Rachelle Booth who won gold in her division (girls red belt middleweight) at the TAGB English Open Championships in Nottingham on Sunday 15th March. Rachelle then went into the English team where she picked up another gold. Rachelle has held the English title now for four years running. Well done Rachelle

Congratulations to Dom Cross. Dom has been fencing for 3 years. In the first two years he competed in foil fencing, and in the last year Dom has been competing in epee fencing (foil and epee are the different weapons). Dom has just competed in the Merseyside Open and came 14th out of 100. He also achieved the Under 18 award in the Merseyside Open, an adult competition. Dom is also in the Great British Under 17 epee squad. Well done Dom.

Aaron Headley took his K1,K2,K3 go Karting racing test. These tests are normally carried out on a three day course, however they felt that Aaron could achieve all three parts of the test in one day so they pushed him to do so. He had to take a written test; in some of the parts he had to obtain 100% to enable him to pass. He then had to race a kart on the track 6 lots of 10 laps. Each time he was given advice on racing lines, braking patterns etc. On his final 10 laps of the day he had to achieve a speed of within 10% of the national race speed. He started the day at a speed of 1 minute 7 secs and he had to reach a target of 55 secs to pass. He achieved this and will now receive is ARCS license to enable him to race at national level. Well done Aaron.

MISCELLANEOUS

PARKING

Parents and Staff please note that the Car Park outside Beautiful Beginnings Nursery is for parents of Nursery children only - when they are dropping them off and picking them up.
