

# KINGSWOOD COLLEGE TRUST

**NEWSLETTER 26**

**Friday 1st May 2009**

## THE LAST WEEK

### KINGSWOOD TRIBE VISIT MERE TUN

Dressed as Vikings, Year 3 went to Martin Mere. We were met by a Viking called Finn and taken to the Viking village by the mere. Ardwulf trained us to use swords and shields. We went foraging in the fields before making oatcakes and vegetable stew (which had nettles in it!) with Grumpy Gwynne. We ate lunch sitting by an open fire. Later we made felt and bracelets. It was a very good day. **Year 3**

## FORTHCOMING EVENTS etc.

### GRANDPARENTS' DAY - Wednesday 6th May

Grandparents are reminded not to be late for school on Wednesday 6th May. Assembly starts at 09:45 in the Chapel. Following Assembly there will be guided tours of the Hall after which lessons with Grandchildren will be the order of the day. Lunch in the Great Hall will be served by Year 7 pupils before returning to lessons. The day will end with extracts from the school production of 'Grease'.

Don't miss out - book your tickets now.

### LADIES' DAY LUNCH - Thursday 18th June

All 150 tickets have been reserved / sold. A waiting list is now in operation in case there are any cancellations. Please remember that all tickets should be paid for by Monday 1st June.

### SPORTS' KIT

Rawcliffe's have all the new PE kit, in all sizes, in stock. Please ensure that all pupils, up to and including Year 10, are wearing this new kit. Any problems regarding this should be discussed with Mrs Taylor or Miss Mapstone.

**BAG2 THE FUTURE** Bag 2 The Future is a company that specialises in good quality second hand clothing and have arranged a collection from school on **Friday 8th May**. All the bags are weighed and we get paid by the total weight that we collect, so the more bags we send the more money we get. The following items are collected: adults' and children's clothing, bedding, curtains, soft toys, shoes, belts and handbags. No bric a brac.

## SPORTS NEWS

### RUGBY

Last weekend I took part, along with my team 'Shevington Sharks', in the under 10's section of the Scarborough Rugby League Festival. We played matches against teams from Yorkshire and further afield. We won most of our matches except for one. It was great fun but very tiring. The highlight of the tournament was when I scored a fantastic try, running most of the pitch against Castleford Panthers. My mum, Nan, and Auntie were going mad cheering on the sidelines. But to finish the weekend off we all received medals for participating from "Steve McNamara" who up until this season was the coach of 'Bradford Bulls'. Mum took a picture of me receiving my medal. What a weekend to remember, along with a few injuries. **George Bridge 5B**

### FOOTBALL

On Tuesday 28<sup>th</sup> April the U 11's team played their penultimate league match at home against Hesketh with Becconsall All Saints Primary School. The opposition were made up of all Year 6 players and were towering over some of our pupils. However this did not stop our boys putting up a strong fight and showing amazing team spirit! Unfortunately Kingswood went 1-0 down 10 minutes before the half time whistle, from a sloppy goal. Ross Aylmer showed true captaincy and kept the player's heads up and the team spirit high. This paid off when Ross Turpin scored a brilliant goal from a corner kick; this brought us level at half time.

The boys were all fired up and ready to play for the win in the second half and the passion that came from the boys was commendable. The team spirit stayed high and Jake Whiley scored a screamer of a goal from the right wing, however this was not enough, the boys had to keep the passion alive and continue to fight, as the opposition were not giving up on the game easily. Ross Turpin made sure the opposition were not allowed to get back into the game by scoring another fantastic goal, 2 minutes after our last goal!

This was the best performance from the boys throughout the season and it was pleasure to be called their coach, and it was the type of match you would pay to go and watch! Man of the Match went to Ross Aylmer, because he showed great captaincy, even when we were losing, and he was a rock in our defence throughout the whole match. Well done to all involved, let's hope we can get another win from our last game of the season next week!

Please note after school football training will take place on Tuesday 5<sup>th</sup> May next week, instead of Monday 4<sup>th</sup>.

**Jade Headley**

### A REMINDER

Please remember that, for Health and Safety reasons, dogs are not allowed in the school grounds
